■ THE FIRST STEP TO GROWING HEALTHY PLANTS

Thank you for purchasing the Fast Grow Bioenergy Disk.

Please read these instructions carefully before using this device.

Please keep this instruction manual in a safe place, along with the Packing Slip for future reference.

NOTE: Due to constant upgrades, you may find slight cosmetic differences in the appearance of the Disk. The function of the Disk shall remain the same.

■ IMPORTANT SAFETY INSTRUCTIONS

- * Use the Fast Grow Bioenergy Disk under its intended purposes only, as described in this manual. Do not attach any components that are not specifically made for this product.
- * Keep away from metal.
- * Keep away from electrical equipment.

■ PLANT HEALTH BENEFITS

- * Grows plants up to 50% faster with greater yield in less time.
- * 1st grow payback.
- * Improves plant water and mineral absorption.
- * Reduce fertilizer and chemical requirements.
- * Rated for 10-years of continuous growing cycles.
- * No electricity required.

■ MAINTENANCE

1. Do not store near intense heat or an open flame.
2. Keep the Disk out of reach of pets and young children.

■ OPERATION

Place the Bioenergy Disk in the base of a pot. Plant seeds, water and within days, the seeds will sprout. Continue watering as recommended. Each Bioenergy Disk is safe to handle and hermetically sealed in a water-tight food-grade FDA approved material.
